#### About Vanguard Clinic

If the answer is YES, then you will thrive at Vanguard Clinic where we specialize in delivering culturally-responsive, linguistically-competent, and clinically-informed mental health services.

Vanguard Clinic is a private mental health practice that provides outpatient psychotherapy services to individuals and families. We serve a diverse population throughout all of the Twin Cities metro counties and neighboring residents of Western Wisconsin. We provide services to a large Southeast Asian community, particularly the Hmong, but are also equally sought out by the majority population for treatment of depression, trauma, anxiety, and other mental health struggles.

#### Qualifications

- Applicants must be independently licensed as an LPCC, LICSW, LMFT, LP or similar
- Bilingual in Hmong

#### Unique professional opportunities:

- Opportunities for leadership development as a clinician
- Be a part of a growing team in creating culturally-appropriate treatments and programs
- Gain comprehensive professional experience working with extremely diverse populations.

#### How to apply

Interested individuals should send resume/curriculum vitae to [akvang@vanguardmhclinic.com](mailto:akvang@vanguardmhclinic.com)
